Adverting to Government Order No. L. 3684-87/L. B. 29-35-125 dated 17th November 1936 according sanction to the resolution of the District Board to sell away the dilapidated Musafirkhana building at Kankanhalli along with its adjoining site, I have the honour to state that the Executive Engineer, Bangalore Division in his letter No. 1648 dated the 17th March 1937 intimated that the Musafirkhana building sanctioned to be sold was the old Taluk Office Building constructed out of State Funds and wanted, therefore, the sale realisations thereof to be credited to the State Funds. The question was, therefore again brought before the Board for reconsideration at their meeting held on 20th and 21st April 1937 when after considering all its aspects, they resolved as urged by the members of that Taluk, that the Musafirkhana building at Kankanhalli be made over to the "Dayananda Vidyarthnilaya" for the express purpose of running a Hostel and that otherwise it may revert to the District Board.

In submitting herewith a copy of the Board's resolution I beg to request that sanction of Government may kindly be obtained thereto and the same communicated to me early.

SIR,

Subject:—

W.P.W.

I have the honour to state that the President, District Board, Bangalore District, in his letter No.C2-495/36-37 dated 10th December 1937 states that he has addressed a letter on 15th May 1937 (copy enclosed for ready reference) to the Secretary to Government, Development Department for obtaining sanction of Government to hand over the dilapidated Musafirkhana at Kankanhalli (old Taluk Office) to 'Dayananda Vidyathrinilaya' for running a Hostel at Kankanhalli.

The President, Kankanhalli Municipality reported requesting this office that the Executive Engineer, Bangalore Division, may be addressed to dispose of the materials of the building referred to above and to dispose of the site. A reference was made to the Executive Engineer to furnish his opinion in the matter. He replied in his letter No.162 dated 11-10-1937 that the building is in charge of the District Board and that the President, District Board, may be consulted. Thereupon, a reference was made to the President, District Board, requesting him to furnish his opinion in the matter. In reply, he has forwarded a copy of his letter addressed to the Secretary, Development Department, referred to above and states that Government order is awaited.

It is seen from his letter to the Development Secretary that the Board resolved to sell away the building.

and made a reference to the Executive Engineer, Bangalore Division, in the matter. In reply to the above reference the Executive Engineer, has stated that as the old Taluk Office (the present Musafirkhana) building was built out of State funds and that the sale proceeds should be credited to State Funds. When the question was placed before the Board for their decision, they resolved that the Building in question may be handed over to "Dayananda Vidyarthinilaya" for running a Hostel. Government order is awaited in the matter.

Before deciding the question, the Sub Division Officer, Closepet, was directed to examine the question and submit a report. In forwarding the report of the President, Kankanhalli, the Sub Division Officer states that, as the 'Dayananda Vidyarthinilaya' is a centre of Congress activities it is not desirable to give the building to the above institution and suggests that the building may be given to the Education Department. I will inspect the spot and send up my final report in the matter. Pending submission of my final report, I request that sanction of Government may not be obtained for the resolution of the District Board.

I enclose a copy of the report of the President, Kankanhalli, for information of Government.

I have the honour to be,

S i r,

Your most obedient servant,

DEPUTY COMMISSIONER,
BANGALORE DISTRICT.

Report No. Nil, dated 14th January 1938, from the Amildar, Kankanhalli Taluk, to the Sub Division Officer, Closepet.

-- -- --

With reference to your memo No.A2-1005 of 1937-38 dated 7-1-1938 in the matter of handing over the old Taluk Office building at Kankanhalli to "Dayananda Vidyarthinilaya" I beg to report as follows:-

2. I would have been very glad to recommend the grant of this building to the said institution under ordinary circumstances. But the way in which this institution is being managed prevents me from making a recommendation.

3. Mr. S. Kariappa is the sole Manager of the above institution. He is a staunch Congressite and has been taking active part in subversive Congress activities. Of late, this institution (Dayananda Vidyarthinilaya) has been, I may be privileged to say, converted into a home for training young, innocent villagers in the art of objectionable and mischievous activities like "passive resistance", anti-Government propoganda etc. It is this institution that has been supplying boys for carrying on processions, for hoisting of Congress flags, for shouting objectionable cries in streets, for staging "walks out" in schools, and also to serve as a medium for communicating information to villagers. It is the precincts of this institution that is used for holding public meetings to criticise the policy of the present Mysore Government and the acts of its officers and to imbibe a spirit of "no-tax" campaign in the minds of the public.

4. In these circumstances, I am of opinion that, unless the Managers of this Institution make their objects clear in un-ambiguous terms ~~xxx~~ and give an undertaking that this institution will not be used for carrying on subversive activities and anti-government propaganda, it is not proper to give them any help from Government, especially

the help of the kind in question.

5. There is no Musafirkhana in this town. The T.B. provides accommodation for only two travellers. If the old Taluk Office building is converted into a Musafirkhana, it will provide additional accommodation for travellers of the middle class. Some of the classes of the Government Middle School are being held in a thatched roofed shed for want of sufficient accommodation in the main building. The present old Taluk Office may be converted into a school building with some alterations to hold a few classes; or the present Primary school may be shifted to this building and the primary school building may be made use of for holding Middle School classes.
